

THE BROTHERS THREE

Phone: 920-834-3471

Here at *The Brothers Three* we can't lie; we've got the best pizza around! We take great pride in making our pizzas fresh daily, from the dough to the sauce. We only use fresh ingredients to top our pizzas, one of the many toppings being our sausage made with an over 30 year old secret recipe. Made to your specifications or with our perfected specialty options, we are confident you'll find our pizza to be one of a kind. . . but with a varied and extensive menu, you'll find pizza isn't all we're great at!

We also offer a historic dining experience. Our building was once Oconto's Holt & Balcom's Sawmill Company, which was converted in 1981 to the pizza restaurant you know and love today. The restaurant has now been family owned and operated by Jamie, Jack, Hope (Mehlberg), Andrew, and Luke Karban since December 2016. We are glad you are here and hope that you will return soon. Our goal is to bring you the best in food, service, quality and hospitality!
